ENGLAND'S KING LEAVES FOR HOME AFTER VISITING FRENCH FRONT

Great Britain's Ruler and the Prince of Wales Make a Secret Trip to the Scene of the Fighting in France.

NO DRESS PARADES ARE INDULGED IN

His Majesty Goes About Seeing All Sections of the Army at Work and the Fields It Has Won.

By Morning Journal Special Leased Wire.
London, Aug. 15 (AP).—King George V. and the Prince of Wales, who left for France yesterday, returned to London today. The king and prince were seen in the city and the prince was seen in the city. The king and prince were seen in the city and the prince was seen in the city. The king and prince were seen in the city and the prince was seen in the city.

At one point on the line the king met Gen. Sir Henry Rawlinson, commander of the Fourth Army, which delivered the main attack, and Major General Congreve, whose troops were fighting in the line. The king and prince were seen in the city and the prince was seen in the city. The king and prince were seen in the city and the prince was seen in the city.

When the king wanted to descend one of the deep German ditches, General Rawlinson warned him that they had not all been cleared out yet, and when the king came back up the ditch, he said to the king, "You are a brave man."

GERMANY PLANS TO HIT BACK AT GREAT BRITAIN

England Is Threatened With More Destructive Zeppelin Raids in Reprisal for Crimes by British Seamen.

By Morning Journal Special Leased Wire.
Berlin, Aug. 15 (AP).—Threats of more destructive Zeppelin raids in England in reprisal for crimes committed by British seamen, are contained in a white paper issued by the German government today. The white paper states that the German government is determined to take revenge for the crimes committed by British seamen.

THE ZULU WAR

When the king visited the men of the Scottish division which had seen desperate fighting at Deloraine, they told him that they were the South African forces who had won the Zulu war.

THE DAY IN CONGRESS
